

Wendell & Antonia
Scanterbury

Antonia and Wendell have been happily married for twenty-nine years and are the parents of Kayin, a young man whom they absolutely adore. Both work in Healthcare: Antonia as a Registered Nurse, and Wendell as a Director of Pastoral Care. They enjoy doing life and working on projects together. One is a consummate beach-bum, while the other is more laid-back and into smooth Jazz: guess which is which. Antonia's heart is drawn to child-evangelism, while Wendell's passion is to see God's healing in individual, couple, and family relationships. This couple is convinced that marriage is a forever partnership that can, with humility and God's grace, be life-giving, beautiful, and whole; and looks forward to growing with other couples through G2:24

Randy & Christine Eliason

Randy and Christine met at Valley Forge Christian College and began dating in 1987. They were married in 1988 and have been blessed with two sons: Peter (29), and Evan (25). By the grace of God they are best friends and still madly in love after thirty years of marriage. They are most grateful to God for allowing them the privilege of serving the Body of Christ together. They firmly believe that while all marriages have struggles, they can become healthy, life-giving relationships by the grace of Jesus Christ, in the Word of God, and through the power of the Holy Spirit.
